

2010 NE District National Development Camp Players

USA Hockey National office will be in contact with players directly with camp info.
Contact Walter O'Brien for any questions regarding camp. winedge2263@aol.com

At Large Players – The NE District recommends players to be considered in the at-large pool. The at-large selection process by the NPDC is scheduled for mid May and notification will be made directly thereafter by the committee. All goaltenders that attended the YC Festival in the 16/17 bracket were evaluated and sent in to be considered in the At-Large pool. There are no goaltender allocations at these ages for the 16 & 17 camps. If you have any questions in regard to the at-large process please contact Walter O'Brien, **Do not contact the national office directly.**

Congratulations to all!
